- 3 Year Warranty, Customer Support and Service in the USA

Electric Winch Description

This Prowinch **20,000 lbs 24V Electric Winch** offers ultimate pulling power. The winch is IP67 waterproof and comes with a handy wireless control, which make it perfect for a wide variety of uses such as off-roading and towing.

Prowinch 24V Electric Winch

All of our **AC electric winches** are created with the goal of offering the best price-performance ratio. Key components such as lifespan factors are constantly tested and improved in order to offer the best product for the price.

Key Components

All internal components have been upgraded to meet the highest quality standards. Final assembly and all tests are performed locally at Prowinch facility before shipping to ensure that every unit meets the corresponding standard.

Control System

These winches feature a unique remote control design, which allows the winch to be operated wired or wirelessly.

Braking System

Automatic brake system designed to automatically engage immediately upon any loss of power.
