Electric Winch Description

This Prowinch **3,000 lbs 24V Electric Winch** offers powerful performance in a compact size. The winch is IP67 waterproof, which make it perfect for a wide variety of uses such as off-roading and towing. It is easy to install, which allows you to get set up quickly.

Prowinch 24V Electric Winch

All of our **AC electric winches** are created with the goal of offering the best price-performance ratio. Key components such as lifespan factors are constantly tested and improved in order to offer the best product for the price.

Key Components

All internal components have been upgraded to meet the highest quality standards. Final assembly and all tests are performed locally at Prowinch facility before shipping to ensure that every unit meets the corresponding standard.

Control System

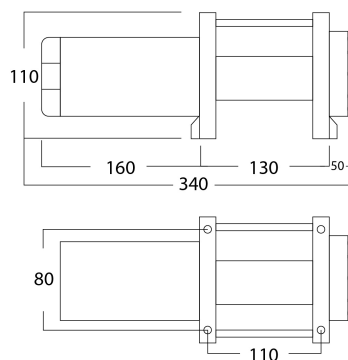

These winches feature a unique remote control design, which allows the winch to be operated wired or wirelessly.

Braking System

Automatic brake system designed to automatically engage immediately upon any loss of power.
